

LIGHTHOUSE CLUB MANILA BRANCH, INC.

The Construction Industry Charity

August 20, 2009

Dear Lighthouse Club Members;

The Lighthouse Club of Manila is in full swing organizing it's 2009 annual party dubbed "Havana Nights Party". The Dusit Thani Manila hotel in Makati City will be the place to be on Saturday, November 7th. This will be the Lighthouse Clubs' hottest party, so put on your coolest salsa outfit and come strut your stuff with the 'badest' Latin beats in town.

Last year's Lighthouse Club annual Christmas Party was well attended and highly successful due to the generosity and support of our members and sponsors.

Although our goal on November 7th is to have a festive evening with great food, drinks, music and friends - our objective is serious in intent. The Lighthouse Club's commitment continues – to send less privileged but deserving kids to school.

In 2008, the Lighthouse Club sponsored five students in Erda Tech Foundation, Inc. We are proud to say that all our students are doing well, both academically and vocationally, in construction industry related majors and specifications.

So with that in mind, we are offering tickets at P3,000 per person. Ticket price is inclusive of dinner, drinks and entertainment.

Due to the economic events of the past few months, the Lighthouse Club proactively downsized the annual event. Whereas we had 220 plus attendees in 2008, we have booked a room for 150 people this year. We currently have 75 tickets left for sale, so if you are planning to attend do not delay buying your tickets to the hottest Latin party in the Philippines! It is one party you will not want to miss.

The Dusit Thani Manila is graciously offering specials on their room rates to party attendees. As follows, *"Minimum 6 deluxe rooms @ P5,800/6,000 (single/double occupancy) for the night of November 7th, 2009 (rates include all applicable taxes)."*

To purchase tickets to Havana Nights Party contact Lhai Eugenio at the Lighthouse Club office or a Lighthouse board trustee.

Thank you for your support and we look forward to seeing you at the party.

Best regards,

Mark Faulkner
