## Managing Risks under International Construction Contracts Seminar Held

The Lighthouse Club Asia Pacific Region, in conjunction with the International Federation of Asian and Western Pacific Contractors' Association (IFAWPCA), the Lighthouse Club Manila Branch Inc. and the Philippine Constructors' Association Inc. (PCA) held a one-day seminar devoted to managing risk under international construction contracts at The Peninsula Manila last October 19, 2007.

*Isidro Consunji*, Executive Director of IFAWPCA; *Jorge Consunji*, PCA President, *Stewart Breakenridge* of Lighthouse Club Manila and *Stephen Heath* of Lighthouse Club Asia Pacific Region all took turns in welcoming all the attendees and introducing the seminar and their respective organizations.

The main speaker of the seminar was **John Battersby**, Group Managing Director of BK Asia Pacific Ltd, who shared his expertise in risk management. **Glenn Haley**, **Nicolas Longley**, **Ronan Collins** followed in discussing related topics.

A lively panel discussion ensued ably chaired by **Manolito Madrasto**, COO of IFAWPCA and supported by all of the speakers.

Construction projects in itself alone, entail risks. Doing the project overseas certainly increases all those risks. Assessing and then managing those risks are very much imperative. The concluded seminar surely will be of great help to all the attendees in that regard.

The seminar was a success and more of this should be done in the near future. Lighthouse Club Manila will always be willing to join such undertaking.

# THE ANNUAL BALL

The club's premiere event of the year was successfully held last October 20, 2007 at Hotel Inter-continental Manila.

As dashing gentlemen and elegant ladies arrived one after the other, another memorable night seemed all the more imminent. Cocktails were initially served while the British School Of Manila Orchestra, ably headed by their music director Peter Stapleton, plays on the side.

Then, Sir Brian Voyle Morgan took over for the program proper while the music is taken care of by the Mickey & Friends band. Over a superb dinner served in great style, lots of prizes were given away to lucky attendees.

The raffle tickets were handed out and sold by Year 10 Students of the British School of Manila.

The event would not be a success without the generosity of the following sponsors; Parsons & Brinckerhoff, Forssman Pacific, Inc., Sid's Bar, The Lighthouse Club Hong Kong, Lane Archive Technologies, Traders' Hotel Manila, Forth & Tay, Guard-All Electronic Securities Systems Inc., David Salon, The Manila Club, Standard Chartered Bank, Leighton's & Concepcion Carrier Air Conditioning. Lighthouse Club Manila Branch is truly grateful to them.

## BCC joins Lighthouse at JW's

Lighthouse Manila was privileged to have the British Chamber of Commerce join them for the November get-together at JW's Lounge in Bel Air Makati.

What made the evening more exciting and enjoyable is the Dart and Pool Competition. Annette Helbig of BWA won the Dart competition with James Johnson of JEC Inc and Michael Mardon grabbing the second and third places respectively. Graham Wilkes of Sinclair James emerged victorious on the pool table. Steve Phillips and David Jerdin took off with the second and third places respectively.
